For a new Foundation Student the total yearly fee would be \$1277 + \$560 = \$1837
*Remember if you have a second child you do not pay the family fee or capital levy again -
We aim to keep a Catholic Education (a not for profit organisation) available to everyone.*

The Grade Levy is used to meet your child/ren's educational needs during the 2025 school year, e
the purchase of classroom materials, Maths equipment, take home books, library expenses, paint,
art paper, software, Religious Education materials and music.

School Fee accounts for the whole year are sent home/emailed during Term 1 in 2025.

Direct debit of school fees is available and is the school's preferred payment method.
Please see Lucy in admin to explain your options.

Any families facing difficulties paying their school fees should make an appointment to meet with the
Principal prior to the end of March 2026 to arrange a regular payment plan.

Yours sincerely

Trish Mulqueen
